

THE NEST PROGRAMME
Terms and Conditions
Version applicable as of 1st of July 2026

Section I – Details of the NEST Programme

What is the NEST Programme

(1) These Terms and Conditions, together with the specific details available on the relevant ESWD Website/ESWD Account shall govern the NEST Programme (the “**NEST Programme T&C**”). In case of discrepancies, the specific details available on the relevant ESWD Website/ESWD Account shall prevail.

(2) The NEST Programme (the „**NEST**” / “**NEST Programme**”) is designed and owned by ESWD („**ESWD**”, the “**Company**”, “**us**”, “**our**” or “**we**”) and runs in connection with each EshopWedrop website evidencing the availability of NEST (www.EshopWedrop.gr) (each, the “**ESWD Website**”).

(3) The *Online General terms and conditions and specific On-line sale services terms* applicable for the relevant ESWD Website (the “**ESWD T&C**”) shall be considered supplemented with these NEST Programme T&C.

(4) The terms defined herein in capital letters shall have the meaning assigned to them under these NEST Programme T&C or in the relevant ESWD T&C.

(5) NEST is available only for ESWD Accounts, where an “**ESWD Account**” is an Account on the ESWD Website (created by an User as per the relevant ESWD T&C) that is both active and identified, *i.e.* for which the Know-Your-Customer/any equivalent identification process has been carried out as per ESWD rules and that is not suspended/terminated/blocked for any reason.

“**You**”/ “**you**” / “**Customer**” means the holder of an ESWD Account (that can log-in and use their Account).

“**NEST Section**” means the section in each ESWD Account evidencing all options/status/actions in connection with NEST.

(6) Once you make an action requiring to agree with the NEST Programme T&C, by clicking on the *NEST Programme T&C* button, you declare you have read all the terms herein, you agree with their contents in entirety and you agree to respect and be bound by the NEST Programme T&C. Please read NEST Programme T&C carefully before using NEST and do not engage with NEST unless you do not fully agree.

How NEST works

(1) NEST main features

The NEST Programme-related options/features/benefits are visible in the ESWD Account, once you log into your ESWD Account. You may use them according with the NEST Programme T&C.

Mainly, NEST allows Customers to pay in advance for the amounts owed to ESWD as ESWD Services users/customers, and/or mandate the relevant ESWD Service Provider to use amounts in their NEST Section for paying for the amounts owed to ESWD as ESWD Services users/customers.

NEST also ensures Users' access to other benefits/features, as per the NEST Programme T&C. ESWD does not charge you any fee for accessing the NEST Programme for your ESWD Account, or for your use of the NEST Programme benefits as per the NEST Programme T&C.

(2) Using the NEST

Once signed-in into your ESWD Account, you will be able to see the NEST Section.

- Deposit option (button) will be available as per the NEST Programme T&C

Once you access the Deposit button, you are redirected to the payment processor page, where you can order the payment (as an advance-payment) of any amount you choose and respects the NEST Programme T&C (e.g. the currency of your country, the minimum value/transaction, the maximum daily/transaction threshold, the maximum NEST positive balance, etc.). The payment must respect all terms of a valid payment.

Banking commissions may apply according to banks' policies for online payments.

Once valid payment you made under the *Deposit* process is registered by ESWD (each *Deposit* process is considered completed for that amount), the respective amount will be shown as a positive amount in your NEST Section.

- Using the NEST positive balance

Any deposit amount shown as NEST positive amount in your ESWD Account will be considered and be regarded as a payment in advance for amounts owed by the User to ESWD as ESWD Services user/as per ESWD T&C. Nevertheless, you will be the one to decide for which payment towards ESWD, you would use the NEST positive balance.

Thus, once you need to undergo the payment process towards ESWD for ESWD Services/as per the ESWD T&C (e.g. for estimated customs payments, for order completions, etc.), you will be able to select, as alternative method of payment, the payment with the NEST positive balance in your NEST Section.

If you select payment by your NEST positive balance, this means that you give an express, direct and irrevocable mandate to ESWD to accept the payment owed to ESWD for ESWD Services/as

per the ESWD T&C, by using the pre-paid amounts in your NEST positive balance. In order for your amounts in the NEST positive balance to be used for payment, the amounts in your NEST positive balance must be higher than the ones you owe to ESWD for that payment (using both NEST and other method of payment at the same time is not possible, as a rule).

If payment is thus completed, that debt towards ESWD shall be considered closed, with the balance of the amount in your NEST Section (if any) to be evidenced further on.

ESWD shall process data related to NEST Section and your email address to send you transactional notifications in connection with this action.

➤ EDee Express

If EDee Express is available in your ESWD Account, you will be able to use this together with NEST; thus, you may select the NEST as payment option for EDee Express order/service and that will represent that you give an express, direct and irrevocable mandate to ESWD, for ESWD to use your amounts in the NEST positive balance, when the EDee Express order/service is completed and the payment due to ESWD becomes due in payment, to close the payment you owe to ESWD (provided that at the time the payment is due in payment, your amount in the NEST positive balance is higher than the amount due to ESWD, and the rest of the conditions under NEST T&C are met).

➤ Cashback benefit

When your Parcel/your Order gets the “*Completed*” status (as per the ESWD T&C), and the pre-payments in your NEST Section have been used, as per the NEST Programme T&C, for the payment of that Parcel/Order, then ESWD will show as available in your NEST Section a certain percent (%) of the amount paid for that Parcel/Order, as *cashback*. This means that you will be able to use the corresponding amount of the cashback on next occasions where NEST may be used as per the NEST Programme T&C.

In order to receive the cashback, your NEST balance at the end of the previous day (the day before the day when your Parcel/your Order gets the “*Completed*” status) must be equal or higher than the minimum limit amount of the previous day closing balance specified on the ESWD Website.

The value of the cashback will not be reimbursed as such (the amount will not be effectively sent to you via the bank account or otherwise), but will be shown as NEST positive amount in your NEST Section and will be in fact deducted from future payments you would owe to ESWD and for which NEST will be used, in accordance with the NEST Programme T&C.

If, for any reason, the transaction for which the cashback was generated, is reversed/annulled, at any time, for reasons non-attributable to ESWD’s exclusive fault, the value of the respective cashback shall be deducted from the NEST positive balance of your NEST Section (*i.e.* the value

of your NE\$T positive balance shall be diminished with the value of the cashback, as it will be considered as it has never been granted).

In case, between the date you initiate a NE\$T action, and the moment when the obligation to grant the cashback (as provided under the NE\$T Programme T&C) becomes due (*i.e.* the respective Parcel/your Order gets the “*Completed*” status), the NE\$T Programme T&C is amended, then the version of the NE\$T Programme T&C valid on the date when the obligation to grant the cashback becomes due, shall apply.

- Withdrawal option (button) will be available as per the NE\$T Programme T&C

Whenever you decide that any NE\$T positive balance in your NE\$T Section be reimbursed to you, you may access the Withdraw option and indicate the amount to be reimbursed (*i.e.* not be used for further NE\$T Programme-related actions); the amount must not be higher than the one evidenced by your NE\$T positive balance and must meet the relevant limits/requirements (*e.g.* minimum / maximum value, per day/per transaction, currency).

Also, you must indicate a valid bank account, having you as sole beneficiary (*i.e.* the name and surname indicated in your ESWD Account must be identical with the name and surname you indicate as beneficiary of the payment).

ESWD undertakes to make available for reimbursement the amount that meets all conditions for reimbursement, in the bank account you indicated, in within 5 (five) business days from validation of your request for withdrawal. If the crediting of the bank account you indicated is not possible, for reasons outside ESWD control/responsibility, you will be informed and further steps may be needed for the reimbursement.

- Other elements to consider

Various Statements based on your interaction with NE\$T (*e.g.* total cashback, current balance) will be available in your NE\$T Section.

In case a transaction for which your amount in the NE\$T positive balance was used, is afterwards annulled/rolled back according with ESWD T&C, the amounts to be reimbursed to you shall be made available again (re-instated) in the your NE\$T Section (no effective money reimbursement shall be owed to you)..

The values (amounts) evidenced as NE\$T positive balance in your NE\$T Section cannot be used for other type of transactions outside of your ESWD Account. They will not be or be regarded as a banking deposit/other type of money deposit and they will not generate interest rates; also, they will not be considered an investment/contribution of any sort. Such amounts will not give you rights to other benefits than the ones provided under the NE\$T Programme.

ESWD reserves the right to suspend/refuse any operation/action under the NEST Programme T&C that it considers in any way suspicious/fraudulent/illegal or for which ESWD has been warned/notified by a relevant authority as presenting risk/characteristics of fraud/suspicious/illegal activity/conduct.

You hereby agree for ESWD to send you notifications by email regarding information/actions in connection with your NEST Section/your NEST activity.

Suspension/Termination

- (6) The termination/deactivation, for any reason, of your ESWD Account and/or of your contractual relationship with ESWD (including deletion of your ESWD Account or request for ESWD to delete your ESWD Account), as per the ESWD T&C, automatically leads to the termination/deactivation of your access to the NEST Programme; you will not be entitled to use NEST further on.
- (2) ESWD may unilaterally decide, at any time, to temporarily suspend or to stop the NEST Programme, without justification or other formality, and without owing damages/penalties to you. Such suspension, respectively termination, shall automatically lead to the suspension, respectively to the termination/deactivation of your access to the NEST Programme; you will not be entitled to use the NEST further on (unless ESWD notifies you that the NEST Programme is resumed after the temporary suspension).
- (3) Should your ESWD Account be suspended, for any reason as per the ESWD T&C, your use of the NEST Programme (and any benefits thereof) shall be also suspended, until clarification, no damages/penalties/indemnification being owed to you by ESWD. Should state/competent authorities make claims/impose sanctions/seizures involving you and/or take actions that may in any way affect your ESWD Account, such claims/sanctions/seizures may also affect your NEST Section (*e.g.* advance payments shown as NEST positive balance amounts in your NEST Section) and may lead to your access to such amounts being permanently prevented. Such events cannot be imputable on ESWD and ESWD shall act accordingly with the provisions of the law and authorities' instructions/demands. ESWD shall be relieved from any responsibility/liability in connection therewith, including in connection with any reimbursement, and shall not be liable towards you for such reimbursements or any damages/penalties related thereto.
- (4) Should, at any time, the NEST Programme stop and/or should the termination of your access to the NEST Programme occur, and ESWD must reimburse the payments in advance you made as per the NEST Programme T&C, you undertake to provide ESWD with the details ESWD requests for the reimbursement (*e.g.* bank account – that must be on your name and surname, etc.), upon 5 (five) days from ESWD information/request. Limits per transaction could apply, as per the Withdrawal section above. ESWD shall not be responsible for your failure to observe your obligations needed for the reimbursement.

(5) You can stop at any time from using the NEST Programme, without owing damages/fees/penalties/indemnification to ESWD for your decision.

(6) In case of termination of your access to the NEST Programme, as per the above, the details of your NEST Section shall be available for 30 (thirty) days for your download; afterwards, the details shall be deleted from your ESWD Account and shall be available upon your written request, as per the Privacy policy related to the processing of personal data available on ESWD Website.
